STEM Australia is a STEM portal that is hosted and maintained by Energy Education Australia Incorporated. The team that manages STEM Australia are listed on the Contact Us page of the STEM Australia website.

As Executive Officer, I guarantee that the above mentioned applicant and his/her listed webpage is and will always be free of any material that is against Australian Federal and/or State or Territory laws, especially in regard to Child Protection. I will endeavour to support the objectives of STEM Australia (refer to STEM Australia's home page) at the organisation I represent. I also verify that the nominees have all the necessary clearances required under the respective state or territory acts to assist or work with youth and will notify STEM Australia's management if such clearance is not granted.

Signed:
